Explanatory Notes on Special Business

Ordinary Resolution 6 – Authority to issue shares

A general mandate has been granted by the shareholders of the Company at the Eighth AGM on 16 June 2017. The previous mandate granted by the shareholders had not been utilised and hence no proceed was raised therefrom.

The Company continues to consider opportunities to broaden its earnings potential. If any of the expansion/diversification proposals involves the issue of new shares, the Directors, under certain circumstance when the opportunity arises, would have to convene a general meeting to approve the issue of new shares even though the number involved may be less than 10% of the total number of issued shares.

In order to avoid any delay and costs involved in convening a general meeting to approve such issue of shares, it is thus considered appropriate that the Directors be empowered to issue and allot shares at any time to such persons/corporations in their absolute discretion for the purpose of funding future investment(s), working capital and/or acquisitions.
