GFM Services Berhad clinches RM33.4 million contract from PERKESO

Kuala Lumpur, 13 June 2018 – GFM Services Berhad (“GFM” or “the Group”) has received a letter of award valued at RM33.4 million from Pertubuhan Keselamatan Sosial (“PERKESO”) to provide integrated facilities management (“FM”) services for PERKESO’s Rehabilitation Centre in Malacca through an open tender. The contract is for a period of four years, commencing June 2018 until June 2022.

Encik Ruslan Nordin, Managing Director of GFM said, “This contract win further cements our long-term relationship with PERKESO, having provided FM services to PERKESO’s Rehabilitation Centre since 2014. With this, we will be the FM service provider to this centre for another 4 years. We wish to thank PERKESO for putting their faith in our capabilities and we are committed to exceed PERKESO’s expectations as to be in line with the centre’s image of being an award winning facility.”

The new contract, which replaces the previous expired one, is awarded to provide comprehensive services which includes a wide range of maintenance and management services encompassing engineering services, clinical waste, biomedical management, laundry management, fleet vehicle management, landscape, housekeeping and pest control.

This contract is expected to contribute positively to the earnings of GFM over the next four years. Inclusive of this contract, the Group’s existing orderbook will be enhanced to RM321.4 million.
